2025 Stewardship Program Annual Report

Participant in the program: United Refrigeration of Canada Ltd. (URC)

Annual Targets: CBI

Amount of recovered refrigerant received: CBI

Amount of recovered refrigerant reclaimed: CBI

Amount of recovered refrigerant destroyed: CBI

Communication and education activities: URC has developed and printed an educational pamphlet that outlines the process for accepting recovered refrigerant. URC provides a supply of these pamphlets to each of the 14 Branches that are set up to collect, accumulate, and transport the recovered refrigerant to the approved processing facility. These pamphlets are placed at the sales counters and other public areas at each of the URC Branches.

Modifications to the 2025 program: None in 2025

Results of the latest compliance audit: Our last compliance audit (2024) determined that URC is operating in accordance with our P2 Plan. Several opportunities for improvement were identified. Each item has been addressed and closed out.
